

**How can I receive my ballot if wildfires have displaced me?** In Oregon, voters can receive a ballot no matter where they stay, including temporary shelters or a friend/relative's address, or you can use a PO box. Voters need to know that they will continue to use their current residential address even if destroyed due to fire.

**Ballots in Jackson County will begin being mailed on October 16, 2020.** If you know the address of where you will be able to receive mail at that time, you can add a temporary mailing address at [www.oregonvotes.gov/myvote](http://www.oregonvotes.gov/myvote).

If the voter has a location where they are staying, the voter can update their mailing address by visiting [www.oregonvotes.gov/myvote](http://www.oregonvotes.gov/myvote) so their ballot will be mailed to that location. A voter can also come to our office at Jackson County Elections 1101 W. Main St., Suite 201, Medford, to update their mailing address in person.

**You can obtain a paper voter registration form at these local offices:** USPS, DMV, Libraries, City Halls, County Clerk's offices or online at <https://sos.oregon.gov/elections/Documents/SEL500.pdf>

If the voter moves after updating their mailing address, they can correct it again as needed.

**A voter who is displaced and temporarily out of the area can request an absentee ballot with an Absentee Ballot Request (SEL 111)**
